Description

The property comprises a rarely available freehold garage block with adjoining land, situated within the sought-after Roxborough Park Conservation Area to the rear of Roxborough Park and Whitehall Road. The site is accessed via two separate service roads adjoining a residential apartment development, providing convenient vehicular access to the premises, with Right of Way from Roxborough Park (Entrance & Exit), subject to the terms of the registered title.

The accommodation consists of 10 garages arranged in two terraces of five units, all currently utilised for storage purposes. To the rear of the garages lies a rectangular parcel of land presently laid to grass, offering additional ancillary open space.

The property presents an opportunity for owner-occupiers, investors, or purchasers seeking secure storage accommodation within an established residential location. In addition, the site may offer longer-term asset management and potential future “hope value,” subject to all necessary consents and planning approvals. Prospective purchasers are advised to make their own enquiries with the local authority regarding the property's existing use and any potential redevelopment opportunities.

The property also benefits from excellent road links via the A40, M1, and M25 motorways and is located close to a range of parks, shopping amenities, restaurants, and well-regarded schools within Harrow town centre and the surrounding area.
